Re: 2011 Annual Mine Reclamation Status Report

Dear Mr. Casas,

The Snap Lake Environmental Monitoring Agency (SLEMA) has reviewed the, 2011 Annual Mine Reclamation Status Report, and would like to provide the Mackenzie Valley Land and Water Board (MVLWB) with the following comments.

The submission is much better than previous annual reporting of mine reclamation status, and SLEMA appreciates De Beers efforts.

If you have any questions whatsoever please feel free to contact the undersigned or David White at 867-765-0961 / dwhite@slema.ca.

Sincerely,
