Dear Mr. di Pizzo:

**Re: De Beers - Snap Lake Mine 2014 Incinerator Stack Testing Results**

De Beers Canada Inc., (De Beers), is pleased to provide the following formal update, as requested by the Snap Lake Environmental Monitoring Agency (SLEMA) in its letter dated June 29, 2015, regarding the 2014 Incineration Stack Testing Results at the Snap Lake Mine.

De Beers, SLEMA and the Government of the Northwest Territories (GNWT) Department of Environment and Natural Resources (ENR) met on August 6, 2015 and discussed the contents of the formal request and briefly outlined the discussions held to date between ENR and De Beers to date. During this meeting De Beers agreed to continue to work with ENR and Environment Canada to continuously improve camp waste incineration at the Snap Lake Mine Site.

Should you have any questions or concerns, please feel free to contact Sean Whitaker by phone at (867) 766-7362 or by email at [sean.whitaker@debeersgroup.com](mailto:sean.whitaker@debeersgroup.com).

Yours sincerely,
