Re: Environmental Agreement 2015 Annual Report

Dear Ms. Wendt,

The Snap Lake Environmental Monitoring Agency (SLEMA) is pleased to present you our review on De Beers' Environmental Agreement 2015 Annual Report (EAAAR 2015).

Stack testing for waste incinerators at the mine site was conducted in 2014 and results were reported in the 2014 Snap Lake Incinerator Stack Testing Report submitted on January 29, 2015. Stack testing results was not reported in related air quality sub-section of EAAR 2015. Correction is requested.

Otherwise, the submission follows the format agreed upon by ENR, De Beers and SLEMMA, and the report presentation and content are satisfactory except some missing information.

If you have any questions or concerns, please feel free to contact the undersigned at 867-765-0961 / exec@slema.ca.

Sincerely,
